Join an adventure!

If you're interested in gaining new experiences and meeting different cultures, you'll probably enjoy fulfilling an European Voluntary Service (EVS). It provides an opportunity for young people between 18 and 30 years to be abroad for one year and to get involved voluntarily with other people.

The Opolskie Forum Organizacji Socjalnych in Opole and the Paritätischer Wohlfahrtsverband in Germany (Saarbrücken) are working together on building up the European Voluntary Service in Poland and Germany.

The Paritätischer Wohlfahrtsverband is searching for two Volunteers from Poland who would like to live and work in Germany for twelve months. They will have to work at a residential home for elderly people for XX hours a week and care for them by day, but no assistance with personal hygiene. The accommodation will be provided by the Paritätischer Wohlfahrtsverband. They will get a monthly allowance which is intended for covering the subsistence costs. They will also have to take part in seminars, before and after the stay in Germany as well as meanwhile. Basic knowledge in German is required for the participation at the European Voluntary Service in Germany.

If you want to apply for the European Voluntary Service in Germany or if you have questions about this program, please contact the Opolskie Forum Organizacji Socjalnych in Opole:
